North Richland Hills
Animal Adoption & Rescue Center

The City of North Richland Hills requires that **ALL DOGS AND CATS** three (3) months of age and older must obtain and have attached to their collar a City License tag.

The purpose of the City License is to provide the owner information and pet's rabies vaccination status in the event that the pet becomes lost or is involved in a bite.

BENEFITS OF A CITY LICENSE

- In the event your pet is impounded by the Humane Division for the first time and your pet is current on its rabies vaccination and is wearing it's current city license tag, he/she will be returned to you at a 50% reduction in the impoundment fees.

- Pets wearing current City License tags will be held in the Animal Adoption & Re scue Center for an additional three (3) days beyond the required four (4) days and attempts will be made to contact the owner.

IMPORTANT TIPS:

- It is important that you contact that Animal Adoption & Rescue Center as soon as you realize your pet is lost. You can be assured that your pet is missing you as much as you miss him or her.

- Remember City License does your pet no good in the kitchen drawer at home! It can be your pet's "phone call home!"

- Due to the volume of animals in the, Animal Adoption & Rescue Center, owners are required to visit the center in person to look for their lost pets and to make arrangements to pick them up.

For more information please contact the NRH Animal Adoption & Rescue Center at:
