**Juggler to Make World Record Attempt
Wednesday at NRH Public Library**

The North Richland Hills Public Library invites area residents to stop by on Wednesday, July 22, to watch David Slick as he attempts to break the world record for 3 ball juggling.

The current world record is just over 11 hours. David plans to beat it by juggling three balls nonstop from 9 a.m. to 9 p.m. David unofficially broke the record while juggling at NRH2O Family Water Park last summer, but a malfunction with his recording equipment prevented that performance from being accepted by Guinness World Records.

Wednesday's record breaking attempt will take place in the main lobby of the North Richland Hills Public Library located at 9015 Grand Ave.
