North Richland Hills Brings More Snow to North Texas this Saturday

The City of North Richland Hills is bringing more snow to North Texas this Saturday! For the second year in a row, the City will feature a real snow tubing hill at its annual Night of Holiday Magic event.

The 3-lane snow tubing hill will be set up at Night of Holiday Magic on Saturday, December 5, 2009 and will provide winter fun for the whole family. Visitors to Night of Holiday Magic will

be able to slide down the 12-foot-tall hill and glide across 110 feet of fresh snow.

The 10th annual Night of Holiday Magic will take place at NRH₂O Family Water Park, 9001 Boulevard 26. The popular snow hill will be open from 3:00 p.m. to 9:00 p.m. to give everyone time to enjoy this unique feature. The cost to slide down the snow hill will be \$2 per person. Only one person per tube will be allowed. Tubers must be old enough to ride alone and at least 42 inches tall.

Other activities during Night of Holiday Magic include holiday music, dance, crafts, mini train rides, a marshmallow roast, the magnificent tree lighting and fireworks display, and the much anticipated arrival of Santa and Mrs. Claus. Visitors will also enjoy shopping in the holiday market and performances by the Dallas Puppet Theater and Contemporary Dance/Fort Worth.

Admission to Night of Holiday Magic is free and parking is free at Tarrant County College Northeast Campus located on Boulevard 26 across from NRH₂O. Residents are encouraged to bring a new unwrapped toy for the Santa Cops Toy Drive and canned food for the Community Enrichment Center's Food Pantry.

Enjoy all the wintry fun the snow hill has to offer. It will be the perfect start to the holiday season! For more information about this year's Night of Holiday Magic, please call 817-427-6600 or visit <http://www.nrhtx.com/HolidayMagic/index.html>.

The 2009 Night of Holiday Magic is sponsored by the City of North Richland Hills and Chesapeake Energy.
