8201 Patrick St.	8201 Saint Patrick. First off i tried to remain anonymous but you offer that and it will not let me! This garage door has been open almost two months. It has also been broken for this period of time too. Therefore the neighbors are having to look at their excessive debris 24/7. Their backyard is just as cluttered as they are hoarders and you can###t even walk into the doorway of the inside of their house. They probably need a welfare check also with all the clutter they live under.	08/26/2019	19-04225		2
7009 Corona Dr.	Occupying residence without water service since March 20, 2019	08/29/2019	19-04286		4
