DISCLAIMER: This Land Use Plan does not constitute zoning regulations, affect existing zoning, or establish zoning district boundaries; rather it serves as a guide for the future development of the City. This data has been compiled for the City of North Richland Hills from various sources. It is provided for informational purposes only and may not be suitable for legal, engineering, or surveying purposes. It does not represent an on-the-ground survey and represents only the appropriate relative location of property boundaries.
