### **City of North Richland Hills Dog Park Rules**

The following rules govern the use and enjoyment of the dog park and are adopted pursuant to City of North Richland Hills Code of Ordinances Article I, Sections 62-13 and 62-14 respectively. Violators of these rules are subject to suspension or removal from the dog park, and criminal citation punishable by a fine up to \$500.

1. All persons or owners ("Users") that enter this Dog Park do so at their own risk. The City of North Richland Hills shall not be liable for any direct, indirect or consequential injury or damage to any User or any dog. All Users will be legally responsible for their dog(s) and any injury or damage caused by the User or their dogs.
2. The dog park shall be open every day, except Wednesday, from 7:00 a.m. until dusk, unless closed due to inclement weather conditions, dangerous conditions, or other maintenance requirements by order of the director of parks and recreation or his designee. The park is closed every Wednesday for general maintenance from 7:00 a.m. until 11:00 a.m.
3. It is a violation to enter the park outside the posted hours. All violators will be subject to a fine of up to \$500.00 as provided in Section 1-13 of the Code of Ordinances.
4. Being a good pet owner means ensuring that our pets are not causing a disturbance with excessive barking for neighbors and residences around us. Excessive barking is when a dog creates a noise, by barking or otherwise, which persistently occurs or continues to such a degree or extent that it unreasonably interferes with the peace, comfort or convenience of a person.

The City of North Richland Hills Code of Ordinances Sec. 14-134. - Excessive noise states the following:

*Any person who shall harbor or keep on his premises, or in or about his premises under his control, any animal which by loud or unusual vocalization shall cause the peace and quiet of the neighborhood or the occupant of adjacent premises to be disturbed, shall be guilty of a misdemeanor; and a separate offense shall be deemed committed upon each day during or on which such violation occurs or continues.*

Should your dog(s) create excessive and persistent barking while visiting the dog park, you and your dog must leave.

5. Dogs must display current identification tags and must be healthy, parasite free, and properly vaccinated, as required by Chapter 14 in the Code of Ordinances. If requested by an animal services officer, owners must provide proof of current vaccination and registration information.
6. In the event of dog bite or injury, the owners must exchange current identification tag information, addresses, phone numbers, and any other information that may be helpful in locating the dog(s). If the dog bite involves a human, the incident must be reported immediately in accordance with Texas law by calling the city animal services division or the police department.
7. No animals other than dogs are permitted in the dog park.
8. No puppies under four months of age are allowed in the dog park.
9. A maximum of three dogs per owner are permitted in the dog park at any one time.
10. Dogs must remain leashed until clearing double-gated holding areas when entering or leaving the dog park and must be off-leash once inside of the dog park.

For purposes of this section, a frail or elderly dog means a dog with physical mobility issues, vision or hearing problems or other health issues that may hinder the dog from protecting itself around other large, active dogs.
16. Dogs that are aggressive are not allowed in the dog park. For purposes of this section, aggressive means to pose a threat of harm to another individual or dog involving snarling, growling, snapping, biting, barking or lunging.
